What HFS membership does for you

In addition to concessionary prices for all HFS films at the Birks, you also have free access to our DVD library of most of the films we've shown in the last few years, plus advance information and email reminders of events.

What you can do

Your support for HFS enables us to continue to offer a programme of outstanding films from world cinema and to mount the annual Film Festival, connecting with locals and attracting visitors to the area. You can also participate in the selection of films for the programme, the organisation of events and publicity and have your say in post-film discussions.

Volunteer for front of house help

HFS and the cinema management are very grateful for assistance with 'front of house' tasks, such as checking tickets and distributing leaflets. Choose your own times to be an usher and see films for free!

Please tick the box if you would like to help.
