You have a choice of membership for the new 10 month programme:

You can have Full Membership which will allow you to see all 10 films. The price of Full Membership is **£30.00**.

Or you can have Part Membership which will allow you to see either the first five consecutive films or the second five consecutive films, this also allows members to spread the cost of membership. The price of Part Membership is **£18.00**.

Please indicate which type of membership you wish to take by ticking the appropriate box on the application form.

What membership does for you:

Membership entitles the holder to attend ten films if a Full Member or 5 consecutive films if a Part Member at no further cost. If you are a Member and find you are unable to attend a film you can 'pass' your Membership to someone else for that film. Once a Member you will be entitled to purchase (in advance) guest tickets for each film (subject to availability). Guest tickets cost £2.50 for under 16yrs and £5.00 for adults.

How to get membership for the 2011–2012 Programme:

This is an application form, which should be completed and returned to the Membership Secretary at the address above. Please note that information you provide may be held on computer for the use of HFS only.

We are often very grateful for help with the 'front of house' tasks before showing a film (e.g. selling raffle tickets, checking people in). If you would like to help with this, please tick the box. Your help will be very much appreciated.

Membership cards will be distributed at the first film of the season, or sent out by post.
